I wish Dr. Savas graded our weekly reflections in a more timely manner. The workload was heavy but as expected for a 300 level course, all of my other course workload was just as heavy, so I wish Dr. Savas would have posted the weekly work sooner than Sunday-Monday, it would have made my weeks a little easier.

This course was very interesting. I wish that he would have presented the topics differently rather than just have slide shows

with no audio or anything to grab your attention. They were hard to get through sometimes  
I felt like having a final and a ten to twelve page paper was a lot for the last week in my opinion but other than that I enjoyed the class
